

SPECIFICATION AMENDMENTS

IN THE SPECIFICATION

1. Please replace the paragraph beginning on page 16, line 10 with the following rewritten paragraph:

Packaged products may be transported to either LTL unit 214, parcel shipping 217 or ASRS 211 depending on an order ~~fill~~ ship requirement or criteria for the associated produced product. For example, if an order has been filled and is to be shipped via an available LTL carrier, the completed product will be forwarded to one of the pallet areas 215a, 215b, 215c, or 216d for palletizing and subsequent shipping via an LTL carrier. In another embodiment, an order may be forwarded to parcel shipping area 217 for shipping orders to customers which may not require LTL carrier type transportation of product.
